- Having written your Will, it is important that you know that it will be found after your death. Around 2000 people die every day but approximately 400 Wills are found. Many are lost or destroyed and the testator’s instructions are never executed. Goodwills Legal Services Ltd will store your Will in a fireproof facility and issue a certificate to you. Another important aspect of the service is that we will update your Will without charge as frequently as you require. We also have a Freephone help line to support you and your executors.
